

MORTGAGE ORIGINATIONS: Past, Present, Future

Source: Mortgage Bankers Association

- Yellow highlighting denotes periods of time when refinance originations surpassed purchase originations.
 - Purple highlight denotes MBA forecasting.

Originations in the 1990s looked very different than those of the 2000's. What will the "teens" bring? MBA predicts decrease in refi and upswing to purchase originations in 2011 and 2012. Click here to see the [MBA Mortgage Forecast](#) in greater detail.
